- A black and white line drawing of a pond scene. In the center, a small wooden bridge with a curved railing spans a pond. Several frogs are depicted: one is on the bridge, another is in the water near the bridge, and others are on the grassy banks. The pond is surrounded by various plants, including tall grasses, daisies, and ferns. A small butterfly is shown flying over the water. The background features rolling hills and stylized clouds. The entire scene is designed as a coloring page with clean, simple lines.
